

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

This is an outrageous abuse of power! Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. I am sickened by what the FCC is sanctioning. This is unAmerican and disgraceful. Michael Powell- you have no shame and no moral compass. Thanks for helping to flush what this country is supposed to stand for, straight down the toilet!!!
